Most foods cook in 1/2 the usual time with 50% to 75% savings on electricity you normally use in cooking. All the heat goes into the food, none is wasted!

Armstrong Solarian® is the floor that shines without waxing. It ends the drudgery of scrubbing, waxing, and stripping.

From coast to coast, homemakers have discovered that Solarian keeps its high gloss—without waxing—for longer than an ordinary vinyl floor. The exclusive Mirabond® surface is less porous than other resilient floors, so spills, dirt, even black heel marks come up easily. Say goodbye to floor-care drudgery now with Solarian!
