

Holiday Bazaar aids charities

By SHIRLEY IDEN

Seventy-five years of tradition are behind the Holiday Bazaar that the women's association of North Church Congregational Church will present to the community at 10 a.m. Saturday.

When the doors open at the bazaar, which will be held at the church, the women's association will be celebrating its 75th anniversary. The bazaar is a fund-raising event for the church and for various charities.

There are about 150 women in the bazaar and the women's association is planning a bazaar and a fund-raising event.

all sorts of things for the Christmas shop, the Little Children's Shop, for fresh and dried flower displays and for children's gifts.

Mrs. Dunn said the bazaar is an annual event that has been a number of years in the past. It is probably 75 years old.

We have been working on this for about nine months, she said.

Spreading the gifts of all the members and individuals in Mrs. Dunn's church and the women's association has been their main for several years.

Mrs. Catherine Baker of Birmingham has received a display of glass, jewelry and flowers for fall and winter.

Mrs. Dunn has been president since last May and expects to keep the job for another year or so. She has been a member of the women's association for 18 years, but added "I was baptized at North Church Congregational Church when it was down on Woodward many years ago. I have a long association with the church."

Mrs. Dunn said that proceeds derived from the bazaar go into the association's budget, which gives assistance to needy people and organizations.

Vote YES On PROPOSAL C

For Your Children's Sake

To balance the books last year, the Governor cut over \$40 million from the budget for local school districts. If PROPOSAL C had been in effect, he would have had to find someplace other than our children's education to make those cuts. PROPOSAL C prevents the State from cutting back any further on the share of the State budget that goes to our local school districts. In fact, if PROPOSAL C had been in effect for the past five years, the State would be paying an additional \$200 million to local school districts this year. PROPOSAL C means that a larger share of the State budget, and less money from local property taxes, will go to finance our schools.
