

Savings and loan opens

Surety Federal Saving joined the Southfield financial community recently with an official ribbon-cutting ceremony and grand opening at 2755 Lahser, north of Eleven Mile. About 450 people took part in the opening ceremonies, including city officials, businessmen and

community leaders. Surety Federal will employ 22 people in the new two-story, \$1.2 million office. The facility offers a 22,000 square foot of business space and a chart outside the building which lists the present temperature on the Fahrenheit and Celsius scale.

She helps return Spartan S-block

Bunny Hodas of Lathrup Village is one of the Michigan State University students responsible for the return of "Block S," a card block section composed of 1,200 students.

The group who returned the card block for the homecoming football game against Notre Dame after an eight-year absence was the MSU Student Foundation.

A junior majoring in landscape architecture, Bunny is one of the group's leaders. She is the daughter of Mr. and Mrs. Ernest Hodas of 3850 Red River Drive and a graduate of Southfield Lathrup High School.

The Block S students work together at football games to form teams, 30 different designs. The designs are first planned on graph paper, then processed by the computer, and translated into what each individual is to do.
