

# Harrison earns shot at state grid crown

By DENNIS O'CONNOR

Coach John Herrington's Farmington Raiders grid team will have to face another setback before the time it will be for the state championship. The Hawks earned the right to compete for the Class A football crown after defeating Madison Heights last night Saturday, 20-0, in a sectional match at Western Stadium in Pontiac.

Harrison's opponent for the state crown was an unbeaten Midland Blue team which won its sectional contest against Lincoln Park 31-7 in Lansing. How runs a perfect weekend offense—the same type of offense that gave the Hawks a scare in their regular season finale against Plymouth Salem. It will be up to Herrington's troops to stifle the Midland offense in the same manner it muzzled Lamphere. If the Hawks expect to be crowned the state champs.

The Hawks easily shut out Lamphere in their 12th-straight victory of the season. Lamphere, which went into the contest with a 9-0 record and the Oakland A League title, never really was in the game because of a fine performance by Harrison's Mike Bowden.

It was the first time Madison Heights fans got to see the Super Kid in action, but it appeared they would just as well if not they ever knew him.

Bowden was his usual self and more against Lamphere, completing 20 yards in

41 carries and scoring all three touchdowns. It was the third time that year that Bowden has carried for more than 200 yards, and that total adds to the unbelievable 1,046 yards he gained in leading the Hawks to the first nine victories of the season.

His just tremendous, Herrington said. "We didn't change anything against Lamphere. We ran a lot of powers and gave the ball to Bowden until they stopped him."

LAMPHERE COULDN'T stop Bowden at all, which led to the one-sided result. Herrington was quick to credit the play of his wide receiver and the blocking of the offensive backs which helped strong Bowden for the yardage.

Bob Sater has to be one of the best line coaches in the area, Herrington said. We ran all 11 off tackle and our backs did a great job of blocking for us. The stage was set for the Harrison romp in the first play from scrimmage when Hawk linebacker Fred Backer intercepted a Lamphere pass, giving the Hawks possession only 10 yards from the goal line.

Then Bowden went into his act by carrying the ball for six of the next seven plays and gaining 29 yards on the drive. Bowden reached yard line on two carries, over left tackle. But it was a perfect with the first of these extra point kicks to give the Hawks a 14-0 lead after only four minutes had expired.

Harrison's next drive proved to be one of the same when Bowden capped a 42-play, 75-yard drive on the first play of the second quarter by passing over for more than 200 yards to make a 14-0 lead.

THE HAWKS CONTINUED to control the action in the second half, scoring the final three touchdowns with one minute left in the game. Harrison kept the ball on the ground with the drive which won 20 yards in 10 plays.

Bowden broke open a five-play and completed 23 yards on the last play for the touchdown.

Grand Valley State has developed into a small size football power thanks in part to the football program at North Farmington High School. Bill Glimmer is the starting tight end in the nationally ranked Lakers, and Glimmer was an all-league pick during his days at North Farmington.

The 6'4", 200-lb. Glimmer is averaging 213 yards a week in a year. Grand Valley is currently a winning team this year and that was Glimmer's first year. He is described as a devastating blocker by Lakers coach Jim Harkema. Glimmer was a top choice as a career objective as hospital administrator.
