

Publishers to refund for 'books'

But after the 1976-77 season, publishers will refund the payments that were made on several million sets of books that were never published, according to State Rep. Frank Boyer.

We received many complaints from educators and librarians who had paid for the books and never received them. Boyer said.

The publishers said that the books and books had been published. Boyer said that the books had not been published. Boyer said that the books had not been published. Boyer said that the books had not been published.

Now! Two big \$253 Specials from AMC, the small car specialist.

Unlike the other manufacturers, who build cars of all sizes, AMC is exclusively a small car producer. Therefore, we have a lot at stake on the success of small cars.

Recently, the small car market has diminished substantially. Over the last five years, increased costs have forced prices up more than \$1,000. As a result, American car buyers have pretty much stayed away, not only from AMC small cars, but from all small cars.

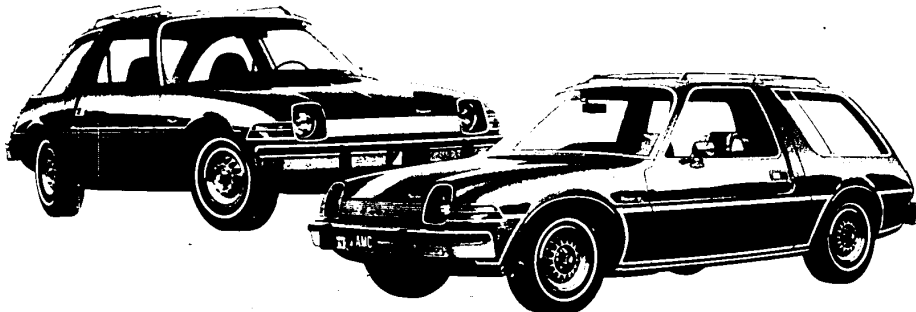

At American Motors, we're doing something about it. By attacking the problem in the most direct way we know how. By initiating pricing programs designed to save you a lot of money.

Our goal is to increase our sales volume by encouraging you, the car buyer, to return to the small car market. If we can get you to consider a small car, we're confident that the small car you buy will be an AMC.

1) \$253 cash rebate on every new AMC Pacer and Pacer Wagon.

Right now, you get a \$253 cash rebate when you buy any new 1976 or 1977 AMC Pacer. Make your best deal with your AMC Dealer and American Motors will send you a \$253 cash rebate. Or, if you

like, you can apply the \$253 to your down payment. This cash rebate offer is good on all AMC Pacers and Pacer Wagons delivered from stock by January 10 or ordered by December 10. Excluding military and fleet sales.

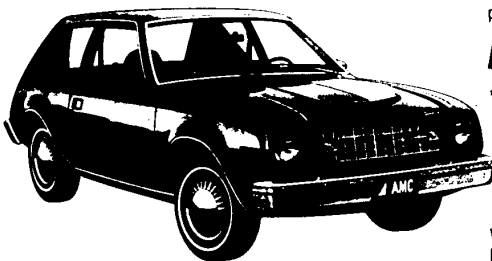

2) \$253 price reduction on every new 1977 AMC Gremlin.*

The list price of all 1977 AMC Gremlins has been reduced by \$253. This reduction applies to all Gremlins now in dealer stock, and to all orders placed on or after November 5.

AMC Gremlin now only \$2995.*

*The manufacturer's suggested retail price for Gremlin is now just \$2995. Destination charges, dealer prep, state and local taxes, white walls, wheel covers and other options extra.
