Christmas visits cheer the forgotten

It's Christmas Eve, and no matter how blasé or sophisticated one tries to be, the heart beats a trifle faster and the cheeks flush with excitement.

These are the anxious moments of "Whom did I forget?" and "Did I remember to put that special card inside his/her pack-

age?" and "I hope everything will be right."

This should also be the time to remember those less fortunate friends in the hospital, friends who have recently lost a loved one, friends who are going through a trying period.
