Late rally saves Farmington

By DENNIS OCONNOR

Constant pressure on the basketball court is the key to winning when a team least broadly.

And this kind of pressure was the reasons that the Farimagion Fakons recorded a first the farimagion Fakons recorded a first the farimagion Fakons recorded a first the Dismosth Canton Chefs Fridge and the Farimagion Fakons recorded a first the Dismosth Canton Chefs Fridge and the Fakons had a 14 record while Canton regular at the Farimagion, Gon.

After two no negage games this week Fakons had a 14 record while Canton remains warks after two treas the Fakons had a 14 record while Canton remains warks after two treas the Fakons had a 14 record while Canton record field to paid the velocytod or the fault three manufest of fast Canton receif to a 12 feb that margin in the weeked quarter. The KEY TO that comeback, which paided Farimagion with the first with the fir

THE KEY TO that comeback, which pulled Farmington within fare points of the thirds at half time was the differences of a fail near press and a stage, here defends through not the second proceedings through not the second and more time we did in the first half. Said Farmington with these Horsen Levil more did in the first half. Said Farmington with these Horsen Levil and Farmington with these Horsen Levil and the did to the was wrong with its way wrong with its way with the processing and half to get to the rate half said whalf it the get to the rate half with which they are to the rate and we half it shade to get to the rate.

made mistakes:

CANTON CAPTAIN Rob Mandie led the carly Chel surge, accounting for 11 first-quarter points. But Mandle was held to only one basket the rest of the game after Farmington went to the zone. The Falcons Joel Scrotten controlled most of the boards in that first quarter to some seven of this squade 11 point. Cardon sophorate guards flusty Mandle course seven of this squade 11 point. Cardon sophorate guards flusty Mandle Quarter to sover 1 of the teams. It to pull the Chefs well about the control of the teams 12 to pull the Chefs well about the control of the teams 12 to pull the Chefs well about the control of the teams 12 to pull the Chefs well about the control of the teams 12 to pull the flust with the farming and Canton leading 14 to Farmington went to that full-report pressure that caused quick three turnsvers. That resulted in the nane-point sorred nane of his 14 points in this quarter.

Figure of the control of the flust of the control of the condition of the condition of the condition of the third to get the the that five point margin.
