pairs in advance that can't be extremely without permission.

THE LAW also provides that he repair facility must give a detailed written statement to the motorast when he picks up had can't be statement is to include what was wrong with the vehicle what was done to it, who repaired it and an eternization of all tabor and parts costs.

"We've been flooded with phone calls from consumers who don't understand how the law work. Hoss said. They want to said register and comply with the written said. Trepter and comply with the written estimate requirement in the legislation."

A provision of the law. Ross replained is that repair dealers post a sign near the entrance of the facility indicating the establishment is registered with the state. If an operator hasn't registered or post-channel is registered with the state. If an operator hasn't registered or post-channel is registered with the state. If an operator hasn't registered or post-channel is registered with the state. If an operator hasn't registered or post-channel is registered with the state. If an operator hasn't registered or post-channel is registered with the state. If an operator hasn't registered or post-channel is not be loss if the law to offer a repair bill.

The law is referred by the secretary of

Dealers ignore auto repair law

vides mechanics to check service ocaers for possible fraud

"DEALERS ARE legally responsible for their mechanics." Ross and "Il there's any indication of dishonesty or faithful.

The law also provides that customers may keep parts that have been replaced and use them as evidence of incompetence or fraud.

"Mich. will conduct surveys of faculties or fraud in the provides that customers may keep parts that have been replaced and use them as evidence of incompetence or fraud.
