icactined from Pape Ai)
lists are, there in the cave, "Inderions roat," The roat was like the road of a thomson to the three came a great of a found of a thomson to the road of a thomson the road of a thomson the road of the road of a thomsoner were they in the turnel than they heard the sound of Fredly the Fierce goat gover currenting the brown grast in the Forever Fores.

The committee the road of the roa

tiew straight up to his cave.

"NOW WHAT DO WE do?" Cleo asked.
"We can never getutio the cave."
Harry don't answer Instead, he trotted out from the tunnel and began stuffing the side of the black mountain. "This is grow," he said without raising his head.
"That is someful." Cleo said. "Do you now how durty that snow will make my lut?"

far". Harry spored her and west on utiling. "Harry spored her and west on utiling." Have a side. I have an idea We can be a side of the case of the case. Freddy the Fierce will not see us."

With that, 'Harry pa has nose to see one one beging utiling by with his frost pays. In a moment, he had disappeared.

force pass. In a moment, he had dis-appeared.
Elmont and Cleo followed Harry unto the little turnel he sad digging. Faster and fas-ter he dag in the light state of the day to the day of the light state of the case.

"Excellent, first rate, just super." El-mont and when Harry was funded. "The are a superjor day A maguletent chap it has been also also been also been also de-tarted by the state of the day of the latest passed."

Harry past said down, hung od has torque and parted. His tail was wagging.

Another obstacle still lay ahead. Before them was a tall gate that almost sealed the entrance to the cave. "I CAN DIG, Harry said. "But I can't climb a gate." "Well, I can," Cleo said. "That gate is just made of trees. I climb trees all the time."

from one end. "Here, take this tread with you." he said "As you go, the sacrif will surrave."

Geo just looked at him for a moment. "Why," she said at leat. "do you want mot come you want to be a said to be a said

"Good 'or 'Bad' written after each one ELMONT O'ENED the second book looked at the ist of good and bad summals names. but Elmont leaded through the book too fast.

See the second of th

how."
"Well, maybe you're right," said the bear. "But maybe you're wrong. You see, I do know how to be rice. Just watch." And with that, he picked up the two books that contained the Christmas lists and

The bear source higher and higher into the sky intil at last he was flying above the trees of the Forever Forest. He flew them straight to the cottage where Cleo and Elimont lived.

After they landed, Elimont took the lists and put them in his tiny sleigh.

"Thank you Cleo, thank you Harry," he said. "I tody you! would need you're help, and I was right. Together we haved Chris-"Mort Bank you." he said to the bear. "I

and was right. Together we served used as a way it tell Santa Claus how good you were to us. Who knows, he may just reward you. When the tell was good, litarry and Cloude. Tredity into their cottage. The three of them warmed their pass by the fire. They were still by the fire when the Williamships came home to their cottage. "Hello, Cleo and Harry," they said. Were glad to see you stayed out of trouble while we were gone."
