## Mills wins degree

Amanda Mills, daughter of Mr. and Mrs. David Mills, 24300 Locust, Farmington, has been awarded a BA by Earlham College, Richmond, Ind. She majored in psychology while attending the four-year coeducational liberal arts college.

This friendly critter will be one of those to greet travelers taking advantage of the tour being offered by the Farmington YMCA.

## YMCA sponsors trip to Rome, Cairo, Kenya

The Farmington YMCA is sponsoring a three-week trip to Rome, Cairo and Kenya, leaving Detroit on June 23.

Those interested in putting on their traveling togs can get a preview on the tour by attending a slide and movie presentation on Feb. 10 at 8 p.m. in the YMCA building, 28100 Farmington Rd., north of Twelve Mile.

The tour is designed so travelers have a chance to explore three different cultures. Free time is being scheduled in each location to enable travelers to pursue their own interests. Optional side trips also will be offered. In Rome, travelers will see such historic landmarks as the aqueducts, the coliseum, the forum and the majestic hills of the Palatine, crowned with a forest of ancient arches.

Religious monuments such as St. Peter's, the Vatican Palace and the catacombs also will be viewed.

A walking tour of central Rome will give travelers a chance to window shop and also see the Pantheon, Trevi Fountain and the Spanish Steps.

**AN OPTIONAL SIDE TRIP** will be to Florence by train, giving travelers an opportunity to see the Italian coast.

Inside, The Florentine itinerary will be determined by the group. Sites to see in Florence include the Duomo, the Baptistery with the bronze door of Ghiberti, Michelangelo's "David" and the Medici Palace.

In Kenya, travelers will visit Nairobi, a city filled with shops, restaurants and African handicrafts of all kinds. There are many fine bookstores featuring nature books not usually found in the United States.

A guided safari will take participants to the Ark, high in the Aberdare Mountains, to watch the animals by night. Tsavo West, an 8,000-square-mile game preserve, also will be visited. Travelers will be able to see Mt. Kenya, Mt. Kilimanjaro and Olduvai Gorge, where the earliest remains of man were found.

An optional side trip in Nairobi will be to see the aviary, the snake farm, and the national museum filled with the tribal chiefs done by Joy Adamson.

The trip to Cairo features climbing the great pyramids, viewing the Sphinx, touring the Egyptian museum and having an after-dinner stroll along the Nile as the sun sets.
