Bloodmobile here March 29

A bloodmobile will be at Harrison High School from 4 to 9 p.m. March 29, sponsored by the Farmington School District in cooperation with the American Red Cross.

Nadine Goodman, chairman of the P.T.A. Council's health committee, said, "A successful program will mean that all residents in the school district and their immediate family members will have total blood coverage."

The total blood coverage program provides blood for all residents of the district, their dependent children, parents, grandparents, and all brothers and sisters of unmarried donors. Donors who leave the community retain their eligibility in the program for one year. Appointments are not necessary.
