

Carol Horn's natural silks...

CAROL HORN'S NATURAL SILK
BEGINS IN A GENTLE FALL
FROM THE COWL TO THE PLEATS.
THEN REVEALS, IN ONE-QUICK-MOTION,
THE SURPRISE OF A SIDE-SLIT SKIRT.

Spring begins sensationally as
you slip into the silk of the draw-
string top, \$54 and the easy
glide of the skirt, \$52. Misses'
sizes. The Woodward Shops.
