

When you want to buy a home,
do what more people do: Talk to us.

If you're building a home, or buying a new home, or a used one,
talk to Michigan's number-one home mortgage lender.

Talk to us because your home is probably one of the most
important investments your family will ever make and you've
naturally taken great care in its selection. So take that
same care in selecting your mortgage loan.

At First Federal Savings of Detroit, we've been counseling
prospective home buyers for more than 40 years and we've
helped more people buy homes than anyone else in Michigan.

We have 45 convenient offices throughout southeastern
Michigan. In each one, you'll find a First Federal expert who
can tell you everything there is to know about home mortgage
loans (conventional, FHA or VA) and help you select
the mortgage loan that's right for you.

Then, once you've selected your home and are ready to take
the next step, come to First Federal Savings of Detroit
and we'll help you get things moving.

We know what money is for.
