**VILLAGE****Registration Notice**

TO THE QUALIFIED ELECTORS OF THE VILLAGE OF FARMINGTON, STATE OF MICHIGAN:

Notice is hereby given that in conformity with Act 139, Public Acts of 1917, I, the undersigned Village Clerk, will, upon any day except Sunday and a legal holiday, on any day of any regular or special election or official primary election, receive for registration the name of any legal voter in said village, or of said village, who may APPLY TO ME PERSONALLY for such registration, provided that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

March 1, 1919—Last Day for General Registration for Election March 10

All electors not already registered and intending to vote at said ELECTION, should make PERSONAL APPLICATION to me on or before the last day of March, A. D. 1919.

Notice is further hereby given that I will be at the

Enterprise Office where I will REVIEW THE REGISTRATION and REGISTER qualified electors who may apply thereto.

Feb. 15 and Feb. 22, 1919

From 8 o'clock a. m. until 5 o'clock p. m. on each said day for the purpose of REVIEWING THE REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as shall APPEAR and apply thereto.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election shall be entered in the registration book.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election, and shall, UNDER OATH, state that he is a resident of such precinct and of said village, and that he has resided in the village TWENTY DAYS next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution; and that, owing to the sickness or bodily infirmity of himself, or of some other member of his family or owing to his absence from the village on public business or his own business and without intent to avoid or delay his registration, he was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he shall then be permitted to vote at such election. If such applicant shall, in said matter, willfully make any false statement, he shall be deemed guilty of perjury, and, upon conviction, the subject to the pains and penalties thereof.

Provision in Case of Removal to Another Precinct

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a village to another election precinct of the same village shall have the right, on any day previous to election day, on application to the Village Clerk, to have his name removed from the registration book of the precinct from which he has REMOVED to the registration book of the precinct in which he has been so removed.

Such elector shall have the right to have such transfer made ON ELECTION DAY by obtaining from the board of inspectors of election of the precinct from which he HAS REMOVED a CERTIFICATE OF TRANSFER and presenting the said certificate to the board of inspectors of the PRECINCT IN WHICH HE THEN RESIDES.

Women Electors

IMPORTANT NOTICE—All women who possess the qualifications of male electors will be entitled to registration provided they properly apply to the Village Clerk within the time limit above designated. ALL REGISTRATION PRIOR TO DEC. 5, 1918, IS NULL AND VOID.

W. E. LORD, Village Clerk.

Communication

To the Editor:—

In regard to the statement in the council proceedings in last week's Enterprise I would like to state my side of the case:

I have been charging everyone \$3.00 for digging graves, and \$1.00 extra for taking away the remaining dirt and leveling up the lot, and the grave referred to by the council was extra hard digging, containing many stones, and I thought it, no more than right that I charge more for the work of the Welfare grave.

William Ringel.

Straighten Up

The man or woman afflicted with backache, rheumatic twinges, or other symptoms of kidney trouble is entitled to sympathy and should have help.

Nature gives early warning of kidney trouble by painless under eye, spots before the eyes, dry mouth, biliousness, weak back, nervousness, dizziness, and a heavy, dry skin.

It is unwise to neglect the slightest symptom of kidney trouble. Give the kidneys the help they need with Foley's.

Foley's Kidney Pills

Once a week, inactive, sluggish kidneys and help rid the body of poisons. With Foley's and bladder properly functioning, appetite is restored, refreshing sleep is possible and the body strong and comfortable.

C. F. Reynolds, Elmira, N. Y., writes: "Three months ago I was afflicted with kidney trouble. My back ached so severely I could not get on my feet. I tried Foley's Kidney Pills and was completely cured. In a few days I was as well as ever and have been free from any return of the trouble since then. I have had no other ailment and am truly thankful to my kidneys."
