Women of Michigan This is Your Affair!

IS IT NOT PROVIDENTIAL that the first vital issue to come up since the women of this state have gained their franchise is that issue which most intimately and most seriously affects the life and happiness of woman—the booze question?

IF THERE WAS ONE QUESTION on which women have always wished they could register their convictions it was on this one of the saloon.

ON APRIL SEVENTH the enfranchised women of Michigan will enjoy that golden opportunity—and for that reason we are absolutely certain not only of success, but of a vote so overwhelmingly against this last forlorn effort of the "Wets" as to end the matter for all time.

FOR WE CONFIDENTLY expect that the most intelligent vote ever cast in this state will then be recorded—the intelligent, clear-seeing decision of the women added to that of the men who previously voted this same question down.

FOR—MAKE NO MISTAKE—while the so-called "Light Wines and Beer" amendment sounds almost harmless, it is the old question under a cloak of verbiage—it means in plain language the re-opening of the saloon.

AND YOU KNOW WHAT that means—women know only too well.

SO WE WILL NOT ATTEMPT to analyze that particular document here. Time enough for that before election day.

OUR PURPOSE NOW—our ardent desire—is to impress upon the women of the state, the necessity of registering at once.

TRUE, YOU HAVE until March 22nd—and in cities or townships of less than 10,000, until March 25th—to register.

BUT YOU KNOW how dangerous a delay. Something may come up—you may delay and then forget until it is too late—and then find yourself barred from exercising that precious privilege for which so many good women have fought so long.

DON'T DO IT—DON'T put off this matter from day to day. It is vital. You will want to vote on this amendment. We need not advise you how—there is no doubt as to what women will do on this subject.

ALL WE ARE ANXIOUS ABOUT is that you register—so you will be able to vote on this pernicious bit of attempted legislation on April seventh. And on every other issue that is to be voted on then.

IF YOU DON'T KNOW the conditions of registration, read below—we give a brief outline.

YOU WILL OBSERVE among other things that you are not asked to tell your age—merely to state that you will be 21 or over on election day.

SO THAT IS EASY—ain't it? And the rest is just as simple.

ALL YOU NEED DO IS—do it! Don't delay. Don't put it off. Exercise your voting privilege now that you have it. Prove that you prize and that you deserve it.

REGISTER!—Today is the best day.
