PEOPLES STATE BANK
 FARMINGTON, MICHIGAN
 "The Bank Good Service, is Building"

Let Electricity Do Your Washing
 Horses once dragged street cars. They COULD do it now—but would it pay? No! Electricity is quicker, cheaper and better.
 And it's quicker and cheaper and better to own a modern electric washing machine than to have your clothes rubbed, and worn by the wash-board way—and more sanitary and thorough too.
 See a demonstration at our Display Room.

BUILD—NOW

And Avoid the High Cost of Delay

The Government endorses building of Homes, and the Banks are in a position to render financial assistance. We have just installed a plan service for the prospective Home Builder, including complete plans of 200 types of houses. If you are interested, come to our office and investigate this service, which is FREE. The plans are of houses that have been built and are thoroughly practical, and have been drawn to utilize the most economical sizes, lengths and grades of lumber. This service not only includes Houses, but Barns, Implement Sheds, Poultry Houses, Garage and Milk House.

Everything to Build a House Carried in Stock
 including Foundation Material, Plaster and Interior Finish. We are manufacturers of Lumber and Interior Finish, and through our connections are in a position to sell anything in wood, as the products of two mills in the south and several in the north are available for our trade.
