MILLIONS GOING INTO ROADS

Western States to Spend Much Money
In Highway Constitution and
Needed Maintenance.

Millions of dollars will be expended
In highway constitution and bridge
work and maintenance by the states
of the central West during the present yeah, according to data recently
compiled by highway autorities.
Colorado has 51 miles of highway
ander construction at a cost of 2000,
000; 01 miles ready for contras of
cost \$200,000, and 50 miles and three
bridges contemplated, he cost \$200,000.

The Photograph Shows a Portion of the Pikes Peak Ocean-to-Ocean the Pikes Highway.

Maintenance on 4,000 miles will amount to about \$500,000, while local road and 44thgs expectativers will amount to about \$500,000, while local and the state of the contract; 45 bridges, costing \$720,000, under contract; 45 bridges, costing \$220,000 evolution of the contract; 45 bridges, costing \$25,000 evolution for contemplated the land in the cost of the contemplated the land in the cost of the contemplated the land in the cost of the cost of the cost of the land in the cost of which the cost of the land is seen to the land in the land in

Iova will spently 15,000,000 on the road system of the state. of which about \$11,000,000 will be for road and bridge construction. Missourt dry 180 miles the con-tract, coating \$7,85,000 \$85 miles. costing \$7,85,000 \$85 miles.

from the improvement.

Build Read Now.

If roads are a good thing, why not build them immedialely, listeds of waiting and suffering incovalences for years to come, because it should be remembered that we are not sawing any isoney by acting in such a manner.

Bly Change in Sentiment, People are apparently residy and willing to spend huge sums for roads where a few years ago it would have been impossible to secrife even a small appropriation for this purpose.
