## Good Law, for Germany.

The Delbrueck law, which became effective in Germany early in 1914, provides for Germans retaining their allegiance to Germany while becoming citizens of the United States or any other country. In assuming the new citizenship a German subject, if it suits him, continues his German citizenship and allegiance in Germany according to this law.

## Rainy Seasons in Cycles.

According to Eduard Bruckner, the great Austrian meteorologist, cold, rainy seasons come in cycles about every thirty-five years, the years nearest to these periods being dry and hot. The year 1915 was the height of one of these cold, wet cycles.

## South China's Administrative City.

Canton is the chief Chinese administrative and commercial city of South China. It is situated inland from Hongkong, 95 miles by water and 112 miles by rail and is located in the fertile Canton delta country, in which converge the West, North and East rivers. In foreign trade Canton ranks third among Chinese ports, being exceeded in volume by Shanghai and Dairen.

## Floor and Walls.

The choice of floor covering is affected by so many conditions that it is not easy to lay down any definite rules as guides. Rugs and carpets should always be as inconspicuous as possible. They must blend with the walls and furnishings or an otherwise beautiful room will prove unpleasant to live in. The less pronounced the floor of the room, the better and more restful the combined effect.
