Would You Write This?

ONLY those who have suffered the misery and torture of kidney trouble and have found their way back to health can appreciate the feeling of gratitude and desire to help other sufferers that caused Mr. E. A. Shanholzer, Konats, Colo., to write the following letter to Foley & Co.:

"I am writing this that some one who needs it may see it. I was troubled with kidney and bladder till sometimes I could not walk or ride, and I had to get up every few minutes during the night. A man asked me if I ever tried Foley Kidney Pills. He said he had tried them and he told me to try them. I found they helped me wonderfully. I had a doctor get a dollar bottle and then another, and I do believe they will make you well out of me. Sincerely yours,"

If any reader of the above letter is suffering at the writer was suffering, and needs it, Mr. Shanholzer's action, will not feel it his duty to pass the helpful message along.

Foley Kidney Pills

Help overworked, weak or diseased kidneys and bladder by their tonic, invigorating, healing action. They have been used successfully for kidney and bladder ailments by men and women for many years. They are made of pure, non-toxic medicinal ingredients, and contain no habit-forming drugs.

Kidney trouble manifests itself by various symptoms—backache, rheumatic pains, headache, stiff joints, sore muscles, floating specks before the eyes, etc.—the result of impurities and poisonous matter remaining in the blood stream because the kidneys are not doing their work of eliminating disease-causing elements in keeping the blood stream pure. If affected from kidney trouble, why not try Foley Kidney Pills!
