About 50 members and friends of the M. E. Progressive Sunday school class greatly enjoyed the October meeting at the home of Mr. and Mrs. John Melow. One of the finest times ever had was reported. The next meeting will be with Mr. and Mrs. T. H. McGee, and another royal time is anticipated.

Hallowe'en was very quiet here last Friday. Some 25 or 30 young people were costumed in all kinds of styles—mystics, witches, etc., and paraded the streets playing numerous pranks, but as far as we have heard no real deceptions were committed. The only evidence the night is night is a number of people in the band about a number of the night, occupant for about a year. We understand two of the larger boys are "carrying" some buck shot in their hands and legs, the result of undertaking to do over on our house.

Didn't Quit Business

MERCHANTS and clerks, store and office employees, factory workers, businesskeepers and other indoor workers are subject to kidney trouble, particularly if middle-aged or older. Mr. John Mallos, Copperopolis, Calif., writes:

"I had a very severe case of kidney trouble and for a time thought I would never be able to get on my feet. I used them bottles of Foley Kidney Pills, and they cured me, and I have never had a recurrence of kidney trouble since. I certainly can recommend Foley Kidney Pills."

Poor health is the worst handicap a man or woman can have in life, and good health is impossible if the kidneys are out of order.

Foley Kidney Pills

The kidneys must do their allotted task continuously without fail if the blood stream is to be kept free from poisonous waste matter that Nature intends to filter out and waste from the body. When the kidneys become weak, the blood stream becomes loaded with waste matter, and the entire system is affected. This causes a variety of ailments, such as backache, headache, dizziness, nervousness, weakness, loss of energy, and a general feeling of being run down. The only way to keep the kidneys in good order is to take Foley Kidney Pills, safe, reliable and reliable medicine for kidney trouble and all its attendant ailments.
