ADJUSTABLE COLLARS AND CUFFS OF FUR

The tailored suit is about the most adaptable piece of property in the order with its sloped pade at the front wardrobe; at howe in any gathering. Clever women understand how the addition of the right accessories make that the indition of the right accessories make that it it in with almost any sort of background and this is valuable known cape for the woman who travels. A suit that is to do duty anywher should be made of any of the all-year-round woolen goods, as sorge, gabardine, Porter twill, broadcloth and the like. If it is simply and smartly made so much the better—it lends itself readily to different furbishings and matches up with them. For mild climates and warm weather lace collar and curf sets add disintness and richness to the tailored cont.
