PROBLEMS FACING STRICKEN WORLD

Shall Chaos or Reconstruction in Europe Follow the Great World War?

CHANGE OF SOME SORT SURE

Returning Soldier Feels He Has Leart Earned a Better Change Than He Has Hitherto Been Granted

Article III.

By FRANK COMERFORD.

Europe wears an anitous look, One thought is arousing her from the stupor of her misery. She ppens her syre in wide anazement when she oo tices and notes the striking change that has come over her chitteen. It is puzzling her, although she well knows what they have gone through how particular and uncomplaintally they fered. It sim stranged be materially and uncomplaintally they fered. It sim stranged to the characteristic her pace of the years better the prace of the years better the years of the years which we will be the years of years of

steel could not stand what they nave good through without belag; changed by it.

They have put on marti again. It is strange to them. The quitet arrests are duit. The demonshipes sider feels the letdown. The tensorest or the didn't have the constant of the control of the cont

Earned Right to Setter Place.

Between the whitz of machine bullets and the shriek of shrapped he speat his time thinking, and his thoughts were not all about, the war. He never got used to the war, but he learned to forget it. He has brought more than souvenirs and inemonst from his experiencial He has brought more than souvenirs and inemonst home thoughtes. Many at ight, looking over No Man's Laid. Istening to the "bankee" of the war he thought and resolved that if he sier came back he wanted, and would have, a hetter chance in this queer thing called Life. He feels that he hais paid for a place, and he has paid. He has earned the right to a deceit place. He has earned the right to a deceit place. He has earned the right to a deceit place. He has earned the right to a deceit place. He has earned the right to a deceit place. He has earned the right to a deceit place. He has earned the right to a deceit place. He has been to be a sold in from a meaningless machine existence. It it doesn't he has made up he mind to use force. He is willing to work, wants to work, but he insists on, being part of his work, rather than his work being all of him. He sees, seels and, measures things from an intensety himman angle. He feels his humanness. The, war emphasized the value and meaning of the human being. It was the orders in different landunges, have and to me will be an extended to the human bring. It was the orders in different landunges, have and to me will be ordered the landunges have an under the world ander for demonstray and to make life-worth white. We hought this work he next and ours. We have learned than it spends most of his time at work, the rest of it is spent with his family and in sleeping so he will tie jable to work the next day. Why shouldn't he hav, an interest in the business, and why shouldn't he batters have an interest in him the business, and why shouldn't he batters have an interest in him to be feel to to be free—it ton't.

THE FARMINGTC

derstand that they must work or
starve. No law or government in the
world is powerful enough to compel
people to work. This is particularly
rive of the people today, 'To thick of
using force how the suited al.

We have had enough of force during
the last grown rears and the farther we
another this abundance of the suited al.

We have the denough of force during
the last y from the idea of beating one
another this abundance he better of
another this abundance he better of
another this abundance he better of
another this abundance in the positive of
another this abundance in the present unrest is
positively dangerous. It just the early
unrest we have ever had before. It is
the restlessness of humaly beings who
have been face to face with death. We
need a lot of calmess and common
sense. By kindly conference we must
try to understand each other, and by
just compromise help each other. Or
one thing I am sure, and that is, if an
effort is made to use blind, brute force
on the working people of the world,
the present unrest will be set in motion, a whirtlyind will break upon the
world.

The plain, open road back to bappti-

world.

The plain, open road back to happiness is cooperation. If the stop for a moment and rate was the profess of the stop o

"And now," concluded the super orator, as he bowed in the frengled applause of the combon people, "if I
have made any point ciear to this intelligent andiance I, will feel-that I
have falled of my purpose. However,
the greatest of morigis is profic to err,
so, in justice to the great issue at
stake, I trust that inyone who muderstands what the League of Randontrailly is will ask juck quadrate
will enable me to obscure such parts
of it as may be clear to you now."

" " " " Sillence. then some.

GREEN'S AUGUST FLOWER.

GREEN'S AUGUST FLOWER.
Constitution invites other troubles which come speculty unless quickly checked and overcome by Green's Angust Flower willich is a gentle laxative, regulates digestion both in stomach and intestines, cleans and sweetens the stomach and unlennelary canal, stimulates the liver to secrete the bile and impurities from the blood. It is a sovereign remedy used in many thousands of households all over the civilized world for more than balt a century by those who have suffered with indigestion, nervous dyspepsia, sluggish liver, coffing up of food, pair traited, consulpation and other livestinal troubles. Sold by druggins and dealess exceptables. Thy a bottle, take no substitute—Adv.

Mr. Carnegie's Advice.

"In considerable fear," said a banker, "I once consulted Mr. Carnegie
about a new venture. The businesslooked as if it ought to be profusible.
There's seemed to be a public need of
it. Slill there was some risk involved,
and I was afraid.

"Dit Mr. Carnegie laughed at my
fears."

"July Mr. Carnegle laughed at my crars'
"It it is a good thing plunge in, he said. "Fear is old womanish. Fear, is which keeps untold nillions from making fortunes. When Beadamin Franklin thought of, surtling a newspaper in Philhdelphia his mother, greated and armed, tried to dissuade him. She pointed out that there were already two newspapers in America."

Nothing Left.

Ragged little Tom Brown had been committed to luvenile hall, where he was limited lateral to be the little little
