# PROPOSED NEW OAKLAND COUNTY JAIL

Above is a view of the proposed new Oakland County Jail to be erected in Pontiac. The bond issue is to be voted upon at an election on April 5th, 1920. Oakland County needs a new jail badly for the present one is entirely inadequate and is daily being crowded to many times its capacity. Taxpayers should vote yes on this bond issue and secure for Oakland County a new jail and a building which can be pointed out with civic pride.
