CHAPTER XII.

Conward paused to speak to Irene before leaving the house.

"I owe you my good wither," he controlled the bouse.

"I owe you my good wither," he good the too where the bouse.
"I owe you my good wither," he good the point paused to speak to Irene before leaving the house.
"I owe you my good wither," he good the controlled the bouse.
"I owe you my good wither," he good the controlled the bouse.
"I owe you my good wither," he good the controlled the bouse.
"I owe you my good wither," he good the controlled the bouse.
"I owe you my good wither," he good the point paused to good the controlled the bouse.
"I owe you my good wither," he good the point paused to controlled to our wish you anything but happens," he returned. "And had I deplotes," he returned. "And had I deplotes, and the places of the pla

irist he had not believed that war was reashle.

"Nobody wants to fight," he had assured his business acquaintances. Even the armament people don't vant to fight. All they want is to righten more money out of the tarifying the fight. All they want is to righten more money out of the tarifying the fight. All they want is to righten more money out of the tarifying the fight. All they want is to righten more money out of the tarifying the whole ground and left withing to be said.

Bight tonight he was aware of a section of the crowd atmost many they were good-natured crowds, to be sure, laughing and othering and mixing sailles of heavy the but they were good-natured crowds, to be sure, laughing and othering and mixing sailles of heavy the but they were good-natured the they were good-natured the to the said.

There was no fear of war; there was, without they were seen before. There was no fear of war; there was, and all the excitement go for an interest of far wereks, a few months, at the most, until a thoroughly whipped Germany would retire behind the Rhine to plan ways of raising the indemnity which outraged civilization would demand.

Chaward elbowed his way through the crowds, smiling, in his superior kewspapers must have headlines.

At his office Conward used a telephone. Than he walked to a restaurant, where, after a few minutes, he was joined by a youing woman. They look a tablelin a box. Supper was disposed of, and the young woman hearing the late of the world at least of the world and the young woman hearing the late of the world at least of the world at least "Young feet me and you

osed of, and the young woman began grow impatient.

"Yell, you brought me here," all did at itsat, "You've fed me, and you only feed anybody, [Conward, without pirpose. What's the consideration?" "Yan pulling off all little joke, and I and you to help me. You know Eiden Dave Eiden?"

want you to help me. You know Elden

"Dive Elden":

"dure. I've know him ever since
had folt put him out of business up in
your rooms, ever so many years ago.
He was too irural for that mixture."

"I want you to get him down to
your place some night to be agreed
you—I'll fix the dale later—and keep
him there until I call for him, with
his fiance."

your place some again to be agreed the possible there whill I call for him, with the possible there will be a call for him, with the possible the po

street. A must have missed her. And I saw your name on the window and I had heard of you. So I just thought that I'd ake. If you wouldn't mindshowing me to this address." She fumbled in her pocket, and Dave invited her into the office. There she produced a torn piece of paper with an office of the produced a torn piece of paper with a she will be will

of late. I, wonder—how much you'd give to know who seat me?"

Dave pulled some bills from its pocket and held them before her. She took them from his hand.

"Conward," she said!

Dave's blood went to his head. "The secondrel!" he cried. "The low-down dog! There's more in this than appear, on the surface."

"Sure there's in," she said. "There's another woman. There tways is, and the work of the surface."

"Sure there is," she said. "There's another woman. There tways is, and there is in this pocket. The girl watched with friendly interest." Believe me, Dave, "she said, "If Conward turns up imissing I wan't know a thing—not a 'd—there is," she will be the could only reases what Conward's plan had been, but that it had ben diabolical and cowardly, and that it concerned frens, he had no doubt. His
