Almost Discouraged

IT is a mistake for those past the prime of life to yield to weakness and infirmities in the belief that these are the penalties of approaching old age. Read the following letter from a man past middle age:

"For about ten years I was a sufferer from pain in the back and kidneys. I tried many remedies until I was almost discouraged. At last, through the advice of a friend, I tried Foley Kidney Pills. A few bottles completely relieved me and renewed all the pain and for the first time in years I feel like a man with nothing to live." W. W. Heary, Water Valley, Miss.

Remember that the kidneys must work all the time. They never rest. Is it any wonder that they become tired or get out of order, or are inactive and sluggish, when one reaches middle age?

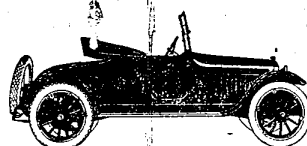

Foley Kidney Pills

invigorate, strengthen and heal inactive, weak and diseased kidneys and bladder. They help the kidneys in their work of purifying the blood stream and casting out poisonous waste. Clean blood makes possible healthy nerves, strong back, clear head, active brain, sound heart, good digestion and perfect health.

Foley Kidney Pills have given relief to thousands of cases of lame or weak back, backache, rheumatic pains, stiff or swollen joints, nervousness, sleeplessness, bladder ailments, and other symptoms of kidney trouble.

Sold at Smith's Pharmacy, Farmington.
