Would You Write This?

ONLY those who have suffered the misery and torture of kidney trouble and have found their way back to health can appreciate the feeling of gratitude and desire to help other sufferers that caused Mr. P. A. Shanholzer, Kanawha, Colo., to write the following letter to Foley & Co.:

"I am writing this that some one who needs it may feel it. I was troubled with my kidneys and bladder all sometimes I could not walk or ride, and I had to get up as often as every ten minutes. A man asked me if I ever tried Foley Kidney Pills. He persuaded me to try a 50c bottle and to my surprise found they helped me wonderfully and I was cured and got a dollar bottle, and then another, and I do believe they will make a well man out of me. Sincerely yours"

If any reader of the above letter is suffering as the writer was suffering, and reads by Mr. Shanholzer's action, will be not feel it his duty to pass the helpful message along?

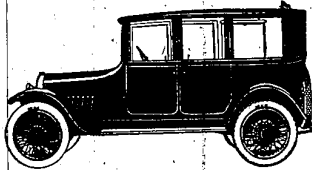

Foley Kidney Pills

Help overworked, weak or damaged kidneys and bladder by their tonic, invigorating, healing action. They have been used successfully for kidney trouble and bladder ailments by men and women for many years. They are made of the highest-grade medicinal ingredients and contain no harmful or poisonous drugs. Kidney trouble manifests itself by various symptoms—backache, rheumatic pains, lumbago, stiff or swollen joints, sore muscles, floating specks before the eyes, etc.—the result of impure blood and poisonous waste matter remaining in the blood stream because the kidneys are not doing their proper work of eliminating the disease-causing elements in the blood stream. If suffering from kidney trouble, why not try Foley Kidney Pills?
