Almost Discouraged

It is a mistake for those past the prime of life to yield to weakness and pessimism in the belief that these are the penalties of approaching old age. Read the following letter from a man past middle age:

"For about twelve years I was a sufferer from pain in the back and kidneys. I tried every remedy until I was almost discouraged. At last, through the advice of a friend, I tried Foley Kidney Pills. A few bottles completely relieved me and restored all the man. I feel like a new man with ambition to live." W. W. Henry, West Valley, Minn.

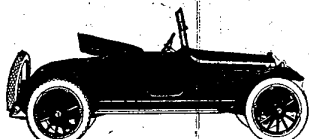

Remember that the kidneys must work all the time. They never rest. If it is any wonder that they become tired or get out of order, or are inactive and sluggish, when one reaches middle age?

Foley Kidney Pills

invigorate, strengthen and heal inactive, weak and diseased kidneys and bladder. They help the kidneys in their work of purifying the blood, strain and casting out poisonous waste. Clean blood makes possible healthy nerves, strong back, clear head, active brain, sound heart, good digestion and perfect health.

Foley Kidney Pills have given relief in thousands of cases of: Backache, rheumatism, neuralgia, stiff or swollen joints, sore muscles, lumbago, blurred vision, giddy sensations under eyes, nervousness, sleeplessness, bladder ailments and other symptoms of kidney trouble.
