## FLAG DAY PROCLAMATION OLD RESIDENT

By The Governor.

In paying homage to the flag of our country we honor not merely a piece of bunting but those things for which the flag stands, liberty, justice, equality. The flag of the United States symbolizes the national ideals for which our fathers were willing to give their lives, and in our day their sons have proved that they too are ready to defend to the uttermost "Our great free institutions which are the hope of the home as well as the nation."

It is proposed this year to celebrate, in conjunction our fathers are the latter on the conjunction of the configuration of the confi By The Governor.

In paying homage to the flag of our country we honor not merely a piece of bunting but those things for which the flag stands, liberty, justice, equality. The flag of the United States symbolizes the national ideals for which our fathers, and in our day their sons have swere willing to give their lives, and in our day their sons have proved that they too are ready to defend to the uttermost "Our great rice institutions which are the hope of the home as well as the hope of the state of the state of the hope of the state of the hope of the state of the state of the hope of the state of the hope of the state of the state of the hope of the state of

NEW TRAFFIC COP.

Our village "Dads" are still stwork striving to make added intropropenents to our village and sensor work striving to make added intropropenents to our village and the force the automobile law. The streets have been marked to show the 'public where they must park and a "silent policeman" on the main four corners will cause carbon make a square corner and thured to stee the company of the control of the public where they make the chance of accidents to make a square corner and thured to make a square corner and thured and obey these signs it will make much more room for jaraling and a better looking thoroughfare in surgery respect.

Less Maple Sugar and Syrup Production of maple sugar and syurp has declined this year, according to the United States Department of Agriculture. The sugar production whs 7,529,000 pounds in 1917.

Syrup production whs 7,529,000 pounds in 1918, and the 4,286,000 agallons of 1915 the same degree, and yet the estimate of 3,696,000 gallons of 1915, and the 4,286,000 agallons of 1915 and the same degree, and yet the estimate of 3,696,000 gallons of 1915 and the same degree, and yet the estimate of 3,696,000 gallons of 1915 and the same degree, and yet the estimate of 3,696,000 gallons of 1915 and 1917.

Syrup productive season of 1936 and 1917.

With syrup converted to terms of sugar, the maple sugar production of 1920 amounted to 86, 373,000 pounds in 1913 and the 2,250,000 pounds in 1915 and the sugar production of 1920 amounted to 86, 375,000 pounds in 1917.

The productive season of 1936 of 1920 amounted to 86, 375,000 pounds in 1916 and the productive season of 1936 of 1920 and the productive season of 1936 of 1920 and the productive seas

fruit growers, the Michigan State
Farm Bureau is actively at work
endeavoring to get a preferential
shipping rating for canning plants
in Michigan. The majority of
the 100 canning plants in the
fatate may be unable to operate on
their scale this summer, because
of inability to secure cans, coal
and sugar.

Paralysis of the railroads by the
recent switchmen's strike and the
recent switchmen's strike and the
resulting jam of freight and empties at many important junction
point is responsible for the predicament of the canners.

With a good fruit year in propect and an excellent market in
sight, one of the busiest seasons
in some time faces the canneries
if they can get the necessary cans,
coal and sugar for operations.
