A Good Spring Tonic.

Take exercise. Walk. Have a hobby that gets you out-of-doors. Walk to business, to your dress-makers, walk for the sake of walking. Join a walking club and keep your weekly score of miles. Keep chickens, make a garden, wheel the baby or play golf or any game, but take two hours outdoor exercise every day. Gymnasium work is good for those who like it and can afford it, avoid heavy athletics. Don't try to be a strong man, the champion athlete often dies young. Be a moderate, persistent daily exponent of exercise. You may not burn the family carriage, as Benjamin Franklin suggested, but at least as he advised, walk, walk, walk.
