Some Logical Reasons Why *the*

First Mortgage Real Estate Notes

We Offer *are* Stable Investments

They are safe at all times, during financial and business depressions, as well as in prosperous times. Our serial method of making a specified number of the notes payable annually or semi-annually reduces the outstanding indebtedness without releasing any of the security. The reduction of the loan is more than sufficient to cover any reasonable depreciation in the property mortgaged.

You will receive an unchanging income payable semi-annually. This income will be paid promptly and with no more trouble to you than cashing a check, regardless of where you reside.

Your investment will run for a certain number of years and then mature. The date when the note matures will depend on your selection when investing.

The genuineness of each note is certified thereon by the Mercantile Trust Company, thus preventing forgery or over-issue. The Legal Department of this Company has examined and approved the title to the property securing the notes.

The property mortgaged has been personally inspected and appraised by experts in our employ. The loan in each case has been closely investigated and judgment passed upon the same by the officers and directors of the Mercantile Trust Company. If the loan is approved, we buy the entire issue of notes and then offer them for sale so as to be in a position to make other loans. Our profit is the commission charged the borrower.

You can invest $100, $500 or multiples thereof and are not required to confine your entire investment to any one issue.

As Trustee in the mortgages securing these notes we require that insurance of a specified amount and character be kept in force for the protection of the note holders, all policies being held by us.

In many instances the ground alone is valued at more than the total loan. We have sold these Real Estate Serial Notes to discriminating investors throughout the United States and foreign countries, including many banks and bankers.

Write for detailed circular describing the First Mortgage Six Per Cent Real Estate Serial Notes of $100 and $500 denomination that we are offering and recommend as conservative, high-grade investments.

We particularly invite comparison between these loans and the average real estate mortgage loan, with reference to excellence of location, class of construction, and actual (not estimated) income.

Reservations made for immediate delivery or delivery within sixty days. Delivery of notes to any bank or post office made at our risk.

CUSTOMS FIFTY YEARS AGO.

Who among us would say to-day, "I never use a Dentifrice; I never have to?"

Yet Fifty years ago, odd as it may seem, not one person in 1,000 used a Dentifrice—or even a tooth brush.

So to-day, after more than 30 years of persistent publicity of Allen's Foot-Ease, the Antiseptic Powder for the Feet, not many well-turned-out people care to confess, "You know I never have to use a Powder for the Feet!"

More than One Million five hundred thousand pounds of Powder for the Feet were used by our Army and Navy during the war.

The reason is this: Confining the feet in Leather or Canvas Shoes is bound to create friction more or less. Allen's Foot-Ease removes the friction from the shoes It is this friction which causes callouses, corns and bunions. You know what friction does to your motor-car axle. Why not remove it from your footwear by Shaking into your Shoes *to-day*, Allen's Foot-Ease, the cleanly, wholesome, healing, Antiseptic powder? Get the habit, as millions now have it, who inhabit our, as yet, imperfect world.—Adv.

He Meant Cars.

Lawrence, age nine, was scanning an early edition of the News Monday for information on the progress of the races when his mother asked him whether anyone had been hurt yet.

"Yes, ten have been killed so far," was the startling reply. "Twenty-five entered the race and only fifteen are still running!"—Indianapolis News.

"What did she say?"

"That on the contrary, it was a design for her cloak."

ONE THING THEY OVERLOOKED

Investigation Might Have Saved Travelers a Wakeful All-Night Fight With Those Bats.

Two friends, looking for a country holiday and getting very comfortable quarters in a farm house. During their first night they were roused by the sound of something flopping about the room. Striking a match, they discovered a large bat.

After a chase, they caught the scared thing, and, being unable to open the window, just shut it away in the drawer of the dressing table.

They had just dozed off when there was another bat and another battle. This one joined the first in the drawer. The same thing happened again, until they had caught and imprisoned 16 bats. Then they got a little peace.

In the morning they invited the landlady up to view their bag. Opening the drawer, proudly, they found therein one poor, weary bat, and the landlady laughed.

"I suppose you never thought there was no back to that old drawer?" she remarked.—London Answers.

Case Seemed Hopeless

Use of Doan's However, Brought Complete Recovery and the Results Have Been Lasting.

"I used to think my back would surely break," says Mrs. H. S. Fix, prominent lodge woman, 340 Carpenter Street, Reading, Pa. "My back pained me constantly. I was as helpless as a baby and a nurse had to stay with me all the time. The kidney secretions burned and passed as often as every ten minutes. Sometimes my eyes were almost closed by the swollen sacs beneath them and my limbs, too, swelled twice their normal size. For almost a year I was practically helpless and never expected to get downstairs again. I had been told that nothing could be done for me, and had given up all hope of ever getting better. My condition was critical when I was told about Doan's Kidney Pills. I began using them and the results made me hopeful of getting well again. The pain in my back ceased up and my swollen limbs started to look more natural. I kept on using Doan's and became entirely well. I owe my life to Doan's."

Stock Raising in WESTERN CANADA

is as profitable as grain growing. Successes as wonderful as those from growing wheat, oats, barley, and flax have been made in raising Horses, Cattle, Sheep and Hogs. Bright, sunny climate, nutritious grasses, good water, enormous fodder crops—these spell success to the farmer and stock raiser. And remember, you can buy on easy terms

Farm Land at $15 to $30 an Acre

—land equal to that which through many years has yielded from 20 to 45 bushels of wheat to the acre—grazing land convenient to good grain farms at proportionately low prices. These lands have every rural convenience; good schools, churches, roads, telephones, etc., close to live towns and good markets.

If you want to get back to the farm, or to farm on a larger scale than is possible under your present conditions, investigate what Western Canada has to offer you.

Prayed for Cure Finds it After 10 Years

Food Would Sour and Boil —Teeth Like Chalk

Mr. Herbert M. Geisner writes from his home in Berlin, N. H.:

I had stomach trouble over ten years; kept getting worse. I tried everything for relief but it came back worse than ever. Last fall I got awfully bad; could only eat light loaf bread and tea. In January I got so bad that what I would eat would sour and boil; my teeth would be like chalk. I suffered terribly. I prayed every day for something to cure me. One day I read about EATONIC and told my wife to get me a box at the drug store as I was going to work at 4 p. m. I took one-third of it and began to feel relief; when it was three-fourths gone, I felt fine and when it was used up I had no pains. Wife got me another box but I have felt the pain but twice. I used five tablets out of the new box and I have no more stomach trouble. Now I write to tell you how thankful I am that I heard of EATONIC. I feel like a new man; I eat what I like, drink plenty of water, and it never hurts me at all.
