To the Republican Voters of Oakland County

To the Republican Voters of Oakland County

Being desirous of obtaining the nomination on the Republican ticket for the office of sheriff of Oakland County at the coming primaries, I wish to take this opportunity of announcing my candidacy for the office. While I have been connected with the sheriff's office for the past year in the capacity of deputy sheriff, I am resigning this office as I do not feel that it is proper for me to spend my time campaigning while Oakland County is paying for that time. I have therefore, resigned the office of deputy sheriff, and I am seeking the support of the Republican electors of the County as a candidate for the office of sheriff upon the Republican ticket. If I am nominated and elected to this office it will be my earnest endeavor to give the people of the County a fair and business-like administration of the office, and to give all fair and courteous treatment and the benefit of a square deal.
