

# THIS SPRING GO *First Class*

For Spring O'Brien's features European styles! Discover a celebrated collection of superbly tailored designer suits with the latest fashion features.

**Shirts and Ties:** Nothing sets off a super suit like a knock out shirt and tie combination. O'Brien's features a fashionable array of shirts and ties in a fresh variety of Spring colors.

**Lapels:** Why go to New York for European fashion? O'Brien's has suits with continental flair: "notch" or "peak" lapels are tasteful innovations for Spring.

**Puff:** The final touch is the subtle "pocket square". Choose from a rainbow of Spring shades.

**Vest:** The vest is best at O'Brien's. Color co-ordinated and ready to go!

**Slacks:** With or without belt, with or without cuffs, but always with style and perfect tailoring.
