Mail GI Parcels Early

Local postmasters issued the advice today that you should mail early and get better service by avoiding the last minute rush.

Four suggested deadlines for mailing to Armed Forces Overseas for assuring delivery before Christmas Day were also set. The deadlines are: Surface transportation — Oct. 13 to Nov. 8; SAM (Space Available Parcel Airline) — Oct. 20 to Nov. 22; PAL (Parcel Air Line) — Oct. 27 to Nov. 23; Airmail — Dec. 1 to Dec. 13.

The term "Armed Forces Overseas" includes personnel of the Armed Forces, members of their families, and U.S. civilians employed overseas who receive their mail through an APO or FPO in New York, San Francisco or Seattle.

All articles should be packed in strong containers and, securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Addresses must be legible and complete. The APO and FPO numbers are the same as the ZIP code and must be shown on all mail.

Crowley's To Be Open On Sundays

Crowley's has taken another forward step in retailing by announcing its branch stores will be open on Sundays from Nov. 2 on. Crowley's will be the first full-line fashion oriented department store in the Detroit area to have Sunday branch openings.

In making the announcement, R.F. Winkel, Crowley's president said, "All of us have been conscious of the present trend throughout the country for retail stores to be open on Sundays to the public."

"There recently has been a definite demand on the part of Detroit suburbs for this particular type of service...as aggressive merchants and businessmen, we must realize the demand is very evident and getting larger all the time and we cannot continue to ignore Sunday openings."

Although the downtown store will be closed, the Crowley branches at Livonia Mall, Macomb Mall, Westborn Center in Dearborn and Grand River at Greenfield will be open from noon to 5 p.m., manned by employees on a voluntary basis only.

At present, Crowley's is planning on opening all departments on Sunday that are regularly located in each store. Plans are also being considered for fashion shows and other quality merchandise presentations not normally presented by other retailers who are open on Sundays in this area.
