"This can be an outstanding career for women. We're here to prove it."

Come to our seminar. Meet the Detroit-area women who have their own professional records and increased incomes as proof of the opportunities at IDS.

Learn about my own twenty years' experience with IDS—how I became an IDS representative and moved up steadily through sales management—while raising a family of five.

Compare your own career ambitions, and experience in sales or working with people, to the qualities current IDS representatives brought to their new career.

We'll discuss how proven training programs help IDS representatives develop the skills to help people and companies manage money.

Find out how you, too, might be able to earn a five-figure income—with no limit on how far and how fast you can go.

IDS is seriously committed to increasing the number of women in our 3200-member sales force. Discover what an opportune time this is to find out more about IDS.

Women and men are invited to join us. Call today for your seminar reservation.
