

High school baseball coach quits in protest

By DOUG FUNKE

Only two weeks before the start of the season, Dave DuBois, varsity baseball coach at Livonia Stevenson, resigned after reinstating, at the

demand of school and athletic administrators, two players he had cut from the team.

Jerry Goode, who coached the Stevenson varsity baseball team in 1973 and the JV squad in 1970, has been

appointed interim coach.

Two players had gone to Florida for the Easter break and missed practice Thursday before the vacation period began, the day the final cut list was posted.

Both players had earned positions on the team but when they didn't show for practice that day, they were terminated. DuBois said they were cut because they missed practice.

DuBois said he had made clear to everyone, and especially the two who went to Florida, the possible consequences of missing practice during a team meeting before tryouts began.

The coach also said that he made it clear that the team would be practicing during Easter vacation.

In response to rumors circulating through the school about the apparent vacation-dismissal situation, Carl Fetz, athletic director at Stevenson, told DuBois prior to the final cuts that he could not throw anyone off the team merely because he would go on vacation out of town during the break.

DuBois said he cut the two anyway because "I felt it was going against my principles as a coach. There were five or six kids who had the opportunity to go down to Florida who stayed and worked."

"The coach works with the people. I think he should make the decisions," said DuBois. "I'm a strong believer in character. That's the number one thing with me before winning."

"The part that bothers me is that I love coaching, but you have to decide what your priorities are."

Dorothy Bentley, principal at Stevenson, and Fetz then met with DuBois and told him to reinstate the two. DuBois did, then resigned.

"It's sad because he's a hell of a good man," said Fetz. "We hated to lose him. There's a policy that you can't eliminate someone when they go on vacation. A coach cannot use vacation time as a criteria to eliminate kids."

Dr. George Garver, superintendent of the Livonia school system, said there is no written "policy" but that it has been a "practice" that no student be dismissed from a team for disciplinary reasons without the consent of the school principal and athletic director.

"Any event serious enough to warrant that, we expect the coach to consult with the authorities," said Garver.

Robert Bentley, assistant superintendent for secondary education, said that possible legal ramifications and due-process concerns must be explored nowadays whenever an athlete is suspended or dropped from a team for disciplinary reasons.

"I think what we're talking about, no court in the country would take away an educational opportunity when school is not in session," said Bentley.

"During a legal holiday, a kid should not be penalized for not being there."

"I think that common sense dictates that when the calendar dictates school is not in session, for you to call a kid into session is kind of an iffy thing."

"What we've tried to be is fair, honest and try to temper things. Now, a kid who elects not to practice when school is in session is another thing."

"I admire the young man (DuBois) for the courage of his convictions," Bentley added.

DuBois, who played professional baseball in the Detroit Tiger and St. Louis Cardinal farm systems for five years, coached the varsity to a 15-7 record last season after serving as JV coach the year before.

Southfield to sell soccer tickets for Express game

Tickets for the Detroit Express home opener on April 16 at the Pontiac Silverdome may be purchased in advance at the Southfield Parks and Recreation Building, 2600 Evergreen Road.

Tickets purchased in Southfield are priced at \$6 for adults and \$3 for children younger than 16, and will be for seats in Section 116 in the Silverdome's Lower Level. The Parks and Recreation Building is open from 9 a.m. to 9 p.m. Mondays-Saturdays.

The Detroit Express will play the Tampa Bay Rowdies in the opener, and it also will be youth soccer day at the Silverdome.

ROK trackmen outrun Lathrup

Royal Oak Kimball finished first in 13 of the 16 events in beating Southfield-Lathrup, 106-53, last Wednesday in a non-league boys' track meet at Lathrup.

The meet opened the season for coach Gerald Mineveaser's Lathrup team. "We needed this meet," Mineveaser said. "Now we know what we have to do."

Lathrup junior Jeff Goforth played a part in all three Lathrup firsts. He won two individual events, the 330-yard low hurdles (:39.5) and the 440-yard dash (:52.2), and also anchored the team's mile relay (with Craig Rowley, John Alexander and Bill Dunn), which won in 3:39.8.

"Goforth started out best," Mineveaser said. "That 39.5 (in the high hurdles) equals his best time of last year. I just wish I could run him in more events."

Kimball had two double winners in Steve Orlando and Jim Russell. Orlando won the mile run (4:37.6) and the 880-yard run (2:04.8). Russell took the 110-yard dash (:11.4) and the 220-yard dash (:24.5), and also led off Kimball's 880 relay, which won with a time of 1:35.9.

Lathrup's girls' track team was scheduled to run Kimball last Thursday, but the meet was scratched because of rain.

All Southfield track teams are active on Tuesday. Lathrup's boys' and girls' teams entertain Waterford Mott. Southfield High's boys run at Farmington, and Southfield's girls have a meet at Oak Park High. Southfield Christian's boys are at home against Temple Christian and Redford St. Agatha, and Christian's girls are at Detroit Country Day School. All meets begin at 4 p.m.
