

Easy does it

For about \$75 and an afternoon's work, you can have a new vinyl tile floor in an average-sized 9-by-12 room. One person can do it.

This section . . .

Several area gardening experts helped with the preparation of this special home and garden section. They include: Marge Alpera, of Bloomfield Hills, who is frequent contributor to the *Observer and Eccentric Newspapers* as well as *Plants Alive* magazine. She also is a member of the Garden Writers Association of America.

Others include Margaret Converse and Nancy Davis, both of whom are active in Livonia area gardening circles and are members of the Cranbrook gardening auxiliary.

The section was coordinated by Marie McGee with photographs by staff photographers Art Emanuel, Dick Kelley and Gary Caskey. The cover was designed by Glenn Merillat. Advertising was coordinated by Margaret Shieb.
