

Pioneers falter

Oakland softballers fall to Grand Valley

By DAVE STOCKMAN
"It's the third sport this year where we've lost to Grand Valley by one game," said Oakland University softball coach Rose Swidzinski, whose Pioneer softball team finished one game behind the Lakers in Great Lakes Intercollegiate Athletic (GLIAC) play. Oakland finished the GLIAC volleyball and basketball seasons the same way—one game back of Grand Valley. Swidzinski's goal was to finish ahead of the Lakers in softball, even though it was Oakland's first year in the conference.

But, Grand Valley concluded the regular season with a 9-1 mark, while the Pioneers ended at 8-2.

OU also encountered hard luck at the recent AIAW state softball tournament.

In the double-elimination format, the Pioneers fell to Grand Valley, 1-0, and were clubbed by eventual champion Western Michigan, 12-0.

Sharon Stickey was the victim of the one-run decision against Grand Valley. After issuing a walk, the runner advanced to second on a passed ball and scored when Laker pitcher Debbie Reynolds singled.

OU was victorious in the three previous games, however, including a 6-0 Stickey-no-hitter against Ferris. Late-inning heroics by Helen Shereda tied the game with a home run. The first extra inning was all the Pioneers needed as Hewitt hit a two-run homer for the win.

Down 1-0 with one out in the seventh, Shereda tied the game with a home run. The first extra inning was all the Pioneers needed as Hewitt hit a two-run homer for the win.

OU, which finished 17-5 overall, and 3-2 in its first year in the AIAW tournament, came in fourth behind champion Western Michigan, Michigan State and Grand Valley.

Leading OU hitters this year were

Hewitt (.482), Shereda (.405), Stickey (.341), Janette Fisher (.319) and Sue Friedman (.295).

Stickey (.9-3) and Shereda (6-2) were Oakland's top two pitchers.

OU SECOND IN TENNIS

The two-day GLIAC tournament at Big Rapids saw the Pioneers accumulate 18 points, second only to Wayne State's 21, and far in front of third-place Hillsdale with seven.

Winners for OU were Terry Fuerst (No. 1 singles), Al Krapf (No. 2 singles) and Fuerst and Jim Fitzpatrick (No. 2 doubles). Those three wins gave Oakland nine points.

Also scoring points for Lee Fredrick's netters were Rick Mims (No. 3 singles) who lost in the finals, as did Dan Harg (No. 6 singles). Harg and Mims advanced to the number three doubles semifinals before losing.

The Pioneers, who were tied with Wayne at 15 after first-round action, completed its scoring when Tom Simpson advanced to the number four singles finals, and Fitzpatrick made it to the number five singles semifinals.

With Hang the lone senior on the team, the Pioneers will return numerous high-quality netters from this season's squad which finished with a respectable 22-4 mark.

OU '9 WIN TITLE

The first non-swimming GLIAC championship recorded by Oakland in a long time was accomplished by the Pioneer baseball team.

Coach Dirk Dietz's club won the GLIAC title without playing a game over the weekend.

Rain cancelled OU's twinbill at Hillsdale Saturday, and, since the GLIAC does not reschedule rainouts, OU clinched first place with a 12-3 record.

Grand Valley was second at 10-6 with only two games left in each team.

On May 2 the Pioneers swept a twinbill from Ferris, 14-1 and 16-13.

Jim Kazanski hurled a five-hitter in the opener which featured a ten-run OU third-inning.

Trailing 10-1 after two innings in the second game, OU chipped away and eventually lifted its spring mark to 25-15 with the come-from-behind victory.

Oakland's first baseball championship was accomplished by steady pitching, strong hitting and superb defense.

Leading hitters were Jim Dietz with a sizzling .402 average, including nine home runs and a school-record 51 RBIs. Dennis Krych's .379 average was highlighted with eight doubles, and Mark Bielski had a team-record four triples in batting .341.

On the mound, OU reliever Tom Libby had the lowest ERA at 2.34, with an overall record of 3-0. He was 2-0 in the GLIAC with three saves.

Oakland Community College transfer Tim Seagraves was 5-4 overall, 4-1 in the conference. His ERA was 3.17.

OU closes out the regular season by hosting the University of Detroit on Saturday, and Purdue-North Central on Sunday. Both doubleheaders will begin at 1 p.m.

If the Pioneers host the NCAA II District Four tournament, it is tentatively scheduled to begin on May 18. The national finals will be held in St. Joseph, Mo.

Ineligible for post-season competition are transfer students Seagraves, Libby, Jeff Trax, Peter Lynch—all pitchers—and outfielder Jay Lentz.

FARMINGTON PUBLIC SCHOOL DISTRICT OAKLAND COUNTY, MICHIGAN NOTICE OF LAST DAY OF REGISTRATION

In The Pocket

Now that the regular league bowling season has ended, the pin spinners are looking forward to the summer season and, from all indications, it will be bigger and better than ever.

In fact, several of the summer circuits started last week and the high scoring bids went for a continued onslaught on the pins.

The first to get under way was the men's trio at Westland Bowl and it

seemed just like a continuation of the winter nights. In the inaugural, Ed Schieler rolled the high game of 261 in a 618 series while Dennis Gudzinski had a 255 in 628 for high series.

TWO MORE NAMES were added to the honor roll of those who have broken the 700 barrier.

Bowling in the Michigan National Bank League at Woodland Lanes, Bill

Moore set a new high mark for the season when he linked games of 268, 225 and 261 for 752. It was the high point of his career.

The other barrier buster was Buzz Ray. He accomplished the feat while bowling in the Hits and Misses—a mixed league—at Plaza Lanes.

He opened with a 243 came back with a 237 and closed with 225 for a 705. This count stands as high for the league for the season.

NOT TOO MUCH has been heard about Frank Easa during the regular bowling season but when the Little Caesar's league finished its first campaign Westland it was Frank who stepped up with the championship.

His F.D.R. Cycle team landed on top while Jim Beck's Washburn Lanes group landed in the runner-up spot.

When the Ladies Classic ended in a deadlock and forced a runoff, Mary Jane Hollabaugh's Westland Sports Team won it. Big Bill's had to be satisfied with second place.

In the best ball competition at Merri-Bowl the Archambault-Tigean team is out in front with an 883. The Sheehan-Balsis duo is second with 842 and the White-Eathorne combination is third with 835.

THE A TO Z RENTAL Team cap-

tainied by Karen Kilgore, won the title in the bi-centennial classic at Super Bowl.

Judy Griewicki won the lion's share of the honors. She topped the averages with 182 and had the best series of 647. High single game honors went to Theresa Dudy with 264. Marge Brothers' Harlow Tire team had high team game with 994 and the champion A to Z team took high series with a 2,761.

LEO BLOCK, who carries a 130 average in the Gay 90s senior citizens league at Woodland Lanes, surprised everyone—even himself—last week when he paced the league with a 245 game in a 535 series.

JACK HYMES used the last night of the season to gain top honors in the Vince League at Garden Lanes. He came through with a 526, a 10-pin margin over Tom Farrell. Otis Lackey took third place with 598 and William Wolfe was fourth with 587.

THE STAGE NOW IS SET for the area's largest tournament. It is the champion of champions event sponsored by the Bowling Proprietors Association of Greater Detroit.

This event, originated 30 years ago, has attracted an entry of close to 5,000 teams. The preliminaries will be bowled in 17 member establishments.

ADVERTISEMENT FOR BIDS WOODCREEK HILLS 1 & 2 RESURFACING CITY OF FARMINGTON HILLS

Sealed proposals will be received by the City of Farmington Hills at the Clerk's Office at 31555 Eleven Mile Road until 9:30 A.M., May 28, 1978, at which time and place all proposals will be publicly opened and read aloud.

This project includes the paving of approximately two miles of roads in Woodcreek Hills Subdivision 1 & 2. The major items of work include the following approximate quantities:

Bituminous Concrete Pavement 1800 Tons

Bituminous Base Course 3000 Tons
