John Wilson, Community Relations Manager, Royal Oak, offers you this telephone tip:
"Two-Party Budget Service may help you save money on your phone bill."
Two-Party Budget Service is especially designed for people with fixed incomes, such as retirees. For a low monthly charge* you would share a two-party line and have an allowance of 44 local calls a month. Extra local calls you make are only 5.1¢ each. This is about the lowest-cost phone service in the country. If you think Two-Party Budget Service might be what you need, just call your Michigan Bell Business Office and talk to a service representative about it.
*Plus rural zone charges where applicable.
