Have twice the fun with twins' group

The Michigan Twins Association invites interested persons to come "have twice the fun with us" when they host their 22d annual convention June 23-25 at the Holiday Inn in Southfield.

The association is an affiliate of the International Twins Association. The Michigan chapter was formed by a group of Grand Rapids twins in 1944. By 1977, they had organized their club into a statewide organization. Conventions have been held annually in Michigan. Their last Southfield convention was in 1972.

The emphasis at the convention will be on fun activities rather than convention business. They will also allow time to get acquainted with one another.

The public is invited.

Group pictures of all the twins will be taken at 1 p.m. on Sunday, June 25. There will also be a judged twin contest. Categories for judging are most alike and most unlike. Trophies will be awarded to the winners.

Twins at the meeting will range from infant to over 90 years.
