

Harbor Cove  
"VACATIONSHARES"

To Be Enjoyed All Four Seasons Of The Year

Here at Harbor Cove the good life is yours to enjoy anytime of the year, . . . . Spring, Summer, Fall or Winter.

Spring brings acres of wildflowers, beachcombers treasures, morel mushrooms; (a gourmet delight sauteed in butter,) some of the finest steelhead trout fishing anywhere and that first golf game.

In Summer it's SUN, SAND AND WATER —plenty of it along almost a mile of private shoreline on Lake Michigan just a short walk from your Harbor Cove "VACATIONSHARES" townhouse. Three speed bicycles and small sailboats may be leased by Harbor Cove residents and guests. The all-weather tennis courts in a setting of white birches and conifers as well as the swimming pool, (scheduled for completion in July of 1978) may be enjoyed by residents and guests alike at no charge.

In Fall the display of color in Northern Michigan has to be seen to be appreciated. A short drive through the countryside or along the high bluffs overlooking Lake Michigan will make you wish you had more film for your camera.

Winter brings a different type of beauty to this unique part of Michigan. Ski resorts comparable to any in Colorado beckon those who thrill to the feel of the fresh powder snow under newly waxed skis. Cross country skiers explore their winter wonderland in a world of white and peaceful quiet, stopping at the Harbor Cove Beach Club to warm up by the roaring fire and to enjoy a hot drink with friends.

The area surrounding Harbor Cove offers assurance that you will be able to enhance your vacation activities in so many different ways. Within 15 minutes drive of Harbor Cove, are five golf courses comparable to courses located in the so called golf meccas in the south.

A rainy day is a perfect excuse to browse in the nationally renowned resort shops in nearby Petoskey and Harbor Springs for that unusual gift or a perfect remembrance of your vacation. Dining out is always a treat at any of the fine area restaurants, many of which feature exciting nighttime entertainment.

No matter what the time of the year and no matter what the weather, Harbor Cove owners may wish to take advantage of membership privileges available at the nearby Little Traverse Racquet Club which offers five indoor tennis courts and four racquetball courts as well as saunas and an exercise room for its members.

So whether you own a whole unit, a "VACATIONSHARE" or lease a Harbor Cove townhouse for a weekend or a week, you will enjoy your Harbor Cove experience all four seasons of the year!
