

Run for fun – help MD

Marathon runners prepare now. The Frankenmuth People's Race is July 4, which gives you 2½ weeks to limber up the muscles for the 10 or 20 kilometer courses.

This is the third year of the participation marathon run, and the invitation to participate is extended to all runners aged 6 to 60.

There will be 26 divisions, giving each runner a race that best suits her or his style. Traditional hand-lettered German steins, trophies and medals will be given to runners who finish in qualifying positions. In addition, race shirts will be supplied to each entrant.

Runners should register before June 20 to insure a place in the lineup.
