DON'T JUST LOOK FOR IT. INSIST ON IT.

Before you put your name on the most expensive document most people ever sign, you proba-bly put a lot of thought into it.

It's easy to get boggled by

floorplans and locations, lot sizes and mortgage terms and closing But it's easier to feel a lot better about the whole process if

you just know how. HOW—the Home Owners Warranty—is America's first fully-insured homeowner's protection plan.

qualify to offer it, and once they qualify, they've got to re-qualify

every year after that.
When you see the HOW when you see the HOW symbol on a new home, you know you're getting a 10 year protec-tion plan. A decade of security and peace of mind. ADECADE OF PROTECTION You're protected against

workmanship and material defects the first year. Defec-

tive wiring, ductwork and piping in the second. And

Only the best builders can any major structural defects that vitally affect the use of your new home for 10 full years.

When you add up all the

things you're looking for in a new home, it's probably a list a yard long. Put the Home Owners Warranty at

the top of it. Insist on it. It's the best way to insure against facing the wrong kind of signs in the future. Dollar signs.

HOME OWNERS WARRANTY
