

Over the bounding waves

Who says you only find the big breakers in Malibu? As the faces of this young trio show, the Waterford Oaks Wave Action Pool near Pontiac is more than a tempest in a teapot. The unique facility generates three-foot waves which wash from the pool's eight-foot end to the open end where the waves are reduced to ripples. (Staff photo by Stephen Cantrell)

Give your family a cool and comfortable summer

Nobody loves the hot and muggy weather of mid-summer. A quality Lennox central air conditioning system, custom engineered by Kast to meet your specific needs. And now new high efficiency equipment makes operating and upkeep costs lower than ever. That adds up to a great comfort investment, in addition to the pleasure you'll be giving your family. After all, they deserve it. Call Kast today.
