

Walled Lake Board of Education picks new officers

Betty Campion was elected president of the Walled Lake Board of Education for the 1978-79 school year at the annual organizational meeting recently.

Election of officers was the primary item of business at the meeting. The board also established operating pro-

cedures for the coming year.

Leo Wessinger, Jr., was elected vice president. Warren Williams was elected secretary and Robert Cooper was elected treasurer.

The meeting was the first of the new school year and Kenneth Tucker of Walled Lake assumed his seat on the

board. He was elected to the board in the June election, replacing former board president Dorothy Mengel who was not a candidate for reelection this year.

The Walled Lake School District encompasses the western third of West Bloomfield Township.

Mrs. Campion was elected board president for the second time in the past three years.

She was elected to a four-year term on the board in 1971 and was reelected to another four-year term in 1975. Her present term is slated to expire at the end of the 1978-79 school year.

MRS. CAMPION was elected board president for the 1978-79 school year and was elected vice president of the board for the 1977-78 year.

She also was elected to the Oakland County Intermediate School Board in June. Intermediate school board members are elected by Oakland County school districts.

IN OTHER BUSINESS, the school board:

Named Barbara Scully as its delegate on the Oakland County intermediate budget review committee. Warren Williams was selected as alternate.

Selected Chester Gerbensky to serve as board liaison with the Michigan Association of School Boards (MASB) for the purpose of keeping the board informed regarding items of special information from the MASB.

Authorized Asst. Supt. for Business Harry Carlson to act as the district's agent to repurchase Walled Lake

School debt bonds at a price not to exceed par value and not to exceed a total of \$400,000 during the 1978-79 school year.

Voted to retain board meeting dates as the second Monday of each month at 8 p.m. In a departure from previous policy, the board also voted to schedule two of the regular meetings in elementary schools.

The Oct. 9 meeting will be held in Wixom Elementary School and the April 9 meeting will be at Dublin Elementary.

All other school board meetings will be in the administration building behind Walled Lake Junior High School.

Masons list festival menu

Getting an old-fashioned chicken barbecue ready for customers July 23 will start off a busy week in the kitchen of the Farmington Masonic Temple, for the association which has set a week long menu during Festival. The chicken will be available from noon to 6 p.m.

On July 26, the Masonic Temple

Association works under the direction of Jo Fowles to prepare pasty dinners, from 5-7 p.m.

Smorgasbord is the order of the day for July 27, which will be served by Trinity White Shrine from 5:30 p.m. Friday, July 28, the Eastern Star prepares steak dinners that will

be served from 5:30-9 p.m. Jobs Daughters take over the kitchen Saturday, from 5-7 p.m. for ham dinners.

Sunday morning calls for a pancake breakfast, with all the trimmings, served by Trinity White Shrine from 9:30 a.m. to 1 p.m.

CHIROPRACTIC EAR, NOSE & THROAT
NATURAL REMEDY

Disease and deformity of the body are caused from displaced vertebrae interfering with the normal nerve transmission from brain cells to tissues. Think of the years and months of suffering many have endured because they did not know about this way of life, because they did not know that health was ever present within and could be released once the cause of the trouble was found and corrected.

"Cervical Neck Pain" (Whiplash)

When I popped it, I was certain my car was not damaged as I was driving about 40 m.p.h. The pain was agonizing. Our local chiropractor adjusted me at the time by applying a neck lift.

I could picture in my mind a long spinal column. I was told by Dr. Reiersen that I had a "Cervical Neck Pain" and that I should have it adjusted. He said that he would adjust my neck and that I would feel better. He said that he would adjust my neck and that I would feel better. He said that he would adjust my neck and that I would feel better.

Marie of Highland

"Allergies"

Many times I had trouble breathing. I remember going to the hospital to receive an injection to help me through an attack of asthma. I couldn't run or play football with my friends. After a few adjustments by Dr. Reiersen, I was able to run and play all my favorite sports.

Ken of Clarkston

"Lower Back Pain"

For the past six years, I have been to a number of doctors seeking relief for my lower back pain. My problem was not getting better. After Dr. Reiersen adjusted my lower back, I was able to run and play all my favorite sports. I was able to run and play all my favorite sports.
