Lily, you look beautiful

Beware of a woman who has fallen in love with a specific category of plant.

She will cut down on groceries to buy a collection of her "new love." Your columnts that fallen for lilies. They are beauting this time of year. Have you notice? They are builts and provide a parade of flowering from early June until het August. They like at least six hours of some control of the plant o

whatever you have around which would cool the feet. In the winter prune some of your evergreens or your neighbors' (with permission) for the winter mulch.

WE HAVE AN ACTIVE GROUP of

WE HAVE AN ACTIVE GROUP of lily growers in this area. Just two weeks ago they had a very large show at 17el-Twelve. For interested growers, the Mich-igan Regional Lily Society is having a bulb sale at 17el-Twelve Mall, Oct. 28-29. If you really want to get hooked, for \$3 join the lily society, Peggy Qui-scaherry, 21618 Oxford, Farmington Hills 48024. The Cranbrook House and Garden

The Cranbrook House and Garden Auxiliary just sponsored a garden tour to Hamilton, Ontario's Royal Botanic Gardens and the Ontario School of Horticulture, Niagra Falls. So for two days 16 of us enjoyed a super exposure to the "best in horticulture."

Of course the object was to come home with a long list to make our Cranbrook Gardens sport additional

former with a cong.

at Cranbrook with judicious pruning of tree branches. You, too, can do it at home. Steal worthwhile vistas from your neigh-bor's garden. This is a Japanese tech-

worthwhile vistas from your language.

This is a Japanese technique.

We saw so much myrtle under trees. It gives a nice finish whether it is along a boundry or in the middle of a lawn. It will keep the lawinnowers away from tree trunks.

There were many fuschia trees to give a vertical line in the flower beds. They said they were started fresh in late fall from cuttings, then given TLC. As they grew they were pruned to give a tree profile and staked to hold the trunk upright.

There was a large collection of

thododendrons in a raised bed with a ledge rock wall about 12 inches high. These were complinented by a wall of beech tree saplings which had been the specified of the specified beech tree saplings which had been the specified beech tree to specified beech tree to specified be specified by the specified beech tree to specified be specified by the specified beech tree to specified be specified by the specified beech tree to specified be specified by the specified beech tree to specified be specified by the specified by th

U-M honors 6 students

Six students from Farmington and Farmington Hills were named to the can's list for the 1977-8 academic year at the University of Michigan-Dearborn.

Marian Brintle and Dorothy Fuelling, from Farmington, were named in the division of education. Michael Migliore, also from Farmington, was tapped in the school of management.

Dean's list nominees from Farmington Hills were Lewis P. Bregni and John C. Kennedy, in the school of engineering Kennedy carried a perfect 4.0 grade point average.

Students named to the dean's list for one or more terms must achieve a 3.4 or better grade point average while carrying 12 or more credit hours for the term.
