Set 2 Area Hearings

(See related reports on Regional Affairs Page)

Two legislative hearings on Gov. Milliken's education reform proposals will be held in Observeland this week.

The first slated for Thursday, Oct. 16, at 8 p.m. in the Westland City Hall, 36607 Ford it will be conducted by the Senate Education Committee.

On Friday, at 10 a.m. in the Livonia Family Y at 14255 Stark, the House Education Committee will conduct a hearing.

Such hearings are held by legislative committees to gain an expression of attitudes on pending legislation, from the public at large and from agencies affected.

4 Corners

OK'd For U.S. Funds

The Department of State Highway has a green light from the U.S. Bureau of Public Roads to proceed with the first nine projects in urban areas, including four in this suburban area.

"This will enable qualified areas, working in cooperation with the Highway Department, to do something about their total traffic problem rather than being limited to isolated, individual city problems," said State Rep. Richard A. Young (D-33rd District), whose district includes Westland and part of Livonia.

The intersections in Wayne County that will be worked on include: Warren and Beech-Daly (\$50,000), Warren and Inkster (\$60,000), Joy and Middle Belt (\$150,000) and Joy and Telegraph (\$50,000).

Flaring of approaches to standardized intersections, providing center lanes for left turns and other traffic safety devices are planned.

Appraisers Set Meeting On Low Cost Housing

Trends and problems associated with development of both privately and publically financed low cost housing will be surveyed at the Oct. 21, dinner meeting of the Detroit chapter, American Society of Appraisers.

Representing the private sector will be Edward Robinson of the Metropolitan Detroit Citizens Development Authority. The public sector will be represented by Frank Imbriglia, Detroit Housing Commission.

The meeting begins at 6:30 p.m., in Stouffers Restaurant, Northland, Southfield.
