What makes a beautiful home? It's your dreams and your ideas brought to life with skill and imagination! It's the inspired blending of separate furnishings or elements into a whole that is both handsome and harmonious. At the Hearthside you'll find furnishings that really go together, because all our collections — furniture, fabrics, floor coverings, draperies, lamps and accessories — are chosen to create beautifully coordinated "total looks"! And, best of all, our talented interior designers are always available, without charge, to help you in achieving the "look" you want in your house. Be assured, our entire staff is at your service, whether you are furnishing a home completely, or merely need a new mirror for the hall!
