**CONTESTS ON FM?**  
**NOT ON WRIF!**

Obviously, what matters most is the music.

Let's face it—the reason you came to FM in the first place (remember when?) was to avoid all the games, jingles, hype, contests and interruptions that plagued you on your old radio station. You came to FM for the Beatles, for instance: for rock and roll. Back then FM was the only place you could hear it—and the only place you could hear it without the hassle. FM was an experiment for a new breed of music, a new breed of listener, and history proved you right.

But the times, even on FM, have changed. Today in Detroit, there are FM stations that even run contests. (Whether they call them that or not.) Contests that make you listen to register to win—everything that can come between you and the music—but shouldn't.

At WRIF, we still play rock and roll. Period. We play up to six cuts in a music set, and we stop for commercials fewer times per hour on the average than any other rock station in Detroit. That means more uninterrupted Detroit rock than anywhere else in town. And we never, ever do contests. WE TAKE YOUR MUSIC SERIOUSLY. We're particular about our rock. Record companies put out literally thousands of albums per year. You'll hear nothing but the best rock and roll on WRIF. And only the rock Detroit loves best. Because that's what we are. Detroit's Best Rock... And no static at all.
