John Glenn netters win league crown

Westland John Glenn won the North-west Suburban League girls' tennis meet last week and, in doing so, became the overall league champion. Glenn tallied eight points for first place at the conference meet, while Redford Thurston placed second with five points and Livonia Franklin and North Farmington tied for third with four points.

Going into the league meet, the Rockets were in third position but after winning, Glenn became the overall league title. League duals and performance at the conference meet each count half in determining the overall champion.

"I was satisfied that we won the

league meet. The girls played their best tennis of the whole year. They were a little down going into the meet, but did just a super job," said Glenn coach Jackie Norton.

"Becky (Tenerowicz) played like a tennis pro. It was the first time that we've won the first single flight," Norton continued.

Besides Tenerowicz, other Glenn winners included Diane Peters and Yvonne Burke, in the third doubles flight.

Nancy Gravino and Sheryl McCalla captured the second and third single flights, respectively, for Franklin. Colleen Hamel won the fourth single for Thurston.

YOUR Optometrist's CORNER

By DR. D.W. SCHIFF and DR. H.J. KUTINSKY

Does watching TV harm your eyes? Many people watch TV for as much as six or eight hours a day. In the early days of TV, complaints of eye strain were found to be caused by the small screen and the tendency of the viewer to sit too close to the set.

Actually, there is no reason why TV viewing should injure the eyes if a few simple rules are followed. Wear your regular glasses, if you have them. Sit at least 8 to 10 feet from the screen. Have the room lighted with a soft indirect light from lamps which do not reflect on the tube. Blink your eyes frequently. Look away and change focus to rest your eyes. And, be sure your set is properly adjusted. If your eyes give you discomfort, have them examined to determine and correct the defect.
