Can you afford The High Cost of Levin?

"I urge vigorous and persistent efforts by our (Detroit City) Council and Mayor to obtain from the legislature the right for Detroit to tax non-residents working in Detroit at the same rate as residents."

—CARL LEVIN

Detroit News

Talk about taxation without representation! For a suburbanite who works in Detroit, this would mean a 300% increase (from 0.5% to 2.0) in the income tax he would have to pay Detroit... in addition to taxes levied by his home community.
